

# Wavemakers: HMS Unicorn's Volunteering Philosophy

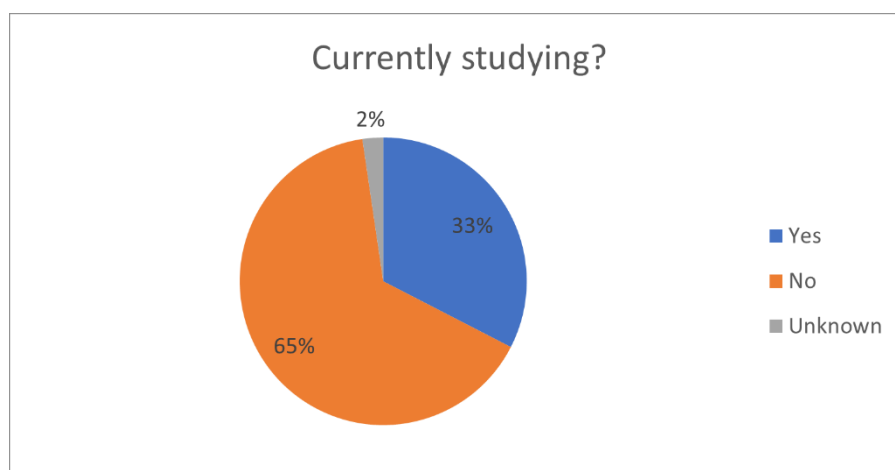

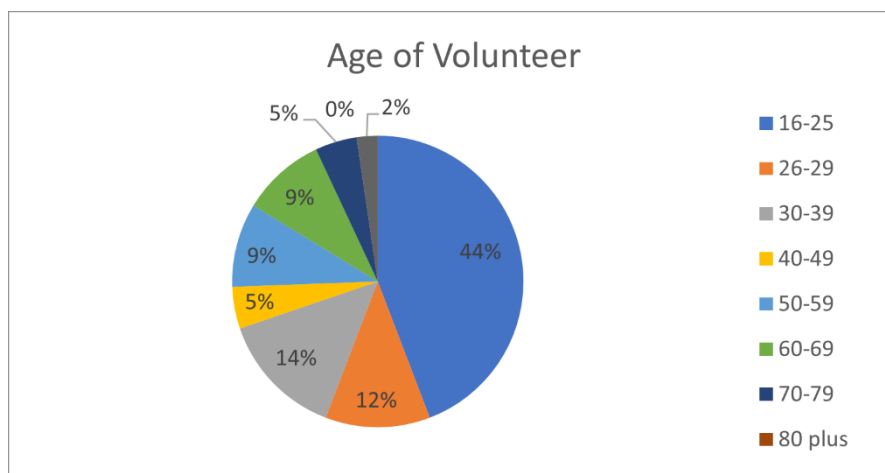

The three principles of Wavemakers are:

1. *Partnerships allow us to do more with more people.*
2. *Put interpersonal relationships first: volunteers work with people not with heritage.*
3. *Volunteers are not 'ours'. If they move on to better things, we've done our job.*

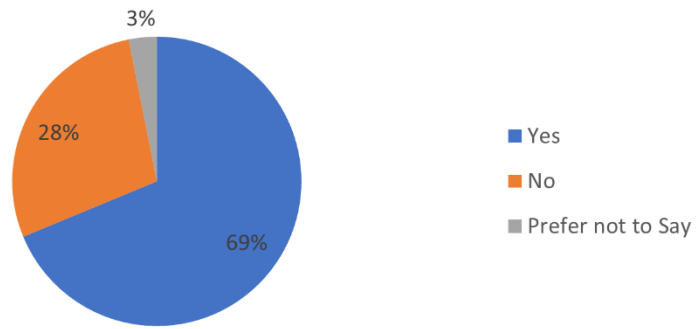

## July 2021 – July 2022 Statistics

Partner organisations worked with: 42

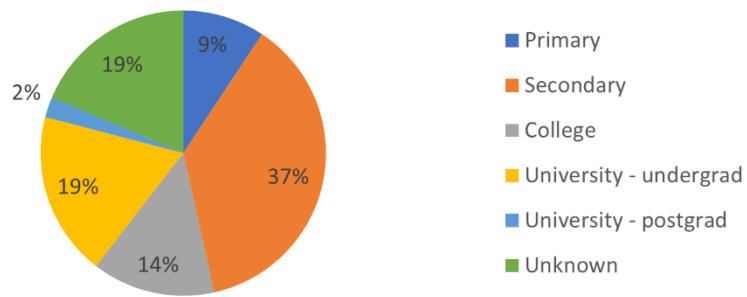

Volunteer data sample size: 43
